Joni – the Gold King Mine is an Operable Unit (01) within the Upper Animas Site (SSID - 08 5M). Thanks for following up on this and no worries on the timing. It'll work out with Richard doing the verbal.

Hi Steve,

Richard is issuing a verbal this am for 7k, but in the meantime I need to do a PR w/RS funding for the planning and the TO that will be issued. I can't find a site ID number, do you have that? Sorry for the delay on this.
